

We are looking for an intern with an undergraduate degree in architecture who would like to work in high-end residential design. Our firm of 26 individuals provides great opportunities for first-hand experience in a team-oriented setting.

**ROLE:** Work is in a wide variety of areas, such as working with Project Managers/Designers on project-related design and technical work, learning software to create, communicate, and coordinate the work, assisting our principals with marketing, awards submissions, administrative duties and special projects, and other miscellaneous office tasks. This variety of duties provides in-depth exposure to the wide range of tasks/ skills involved in the profession.

**QUALIFICATIONS & REQUIREMENTS:** We are looking for an individual holding an undergraduate degree in architecture who is planning to take at least one year off before going back to graduate school. Start date is flexible. This is a full-time position.

**SUBMITTAL:** Please submit your resume and portfolio (portfolio not to exceed 15 pages) as a pdf. With your materials, please include all of the following information:

- Undergrad GPA
- Possible start date
- Date of graduation
- Anticipated date of return to grad school
